To inspire our children's musical dreams in

BEMPTON SCHOOL BAND

- We are on the search for **woodwind** and **brass** instruments to begin our school band to go alongside our school instruments which are: guitars, chime bars, drums and recorders.
- Have you already got an instrument your child would like to play?
- Or do you have any musical instruments that are gathering dust that you would like to donate? or any musical skills you would like to share?

Any help would be gratefully received.

Please speak to Miss Gosling to discuss or volunteer your skills.

If you have an instrument that may need a little TLC please get in touch as we maybe able to get these working again for the children.
