Executive Head Teacher: Mrs Maxine Blackburn

STATEMENT OF PUPIL ADMISSION NUMBERS (PAN) 2022-2023

We at Bempton Primary School have made an application to the Authority to have our PAN increased from the academic year 2022-2023. The reason for this is due to us having a new extension built onto the current school building, allowing us to have capacity to accommodate more pupils on roll into our reception class, thus moving through the year groups up to our year six. Through following procurement and working closely with ERYC our extension has been certified complete in line with the building regulations on 9th November 2020. Our PAN is currently set at 12 pupils and we have taken measures to have this increased to 15. Consultations are taking place between Wednesday 4th November until Wednesday 16th December 2020. We will find out our PAN after this date for the school year 2022-2023.

UPDATE 04/02/2021

Following on from the consultation meeting, cabinet have now met and approved our request to change our PAN. This change applies from September 2022. We are delighted to receive this good news and hope to welcome more children into our school reception class from September 2022.
