Dear Parents

FREE SCHOOL MILK

Children who are below the age of 5 years are entitled to free school milk. This is full fat milk which has been provided as part of the healthy school options. To help us in class we are asking parents to identify if they wish their child to take up this free provision, this helps us with our ordering process. If you would like to take up this provision would you please sign the attached sheet and give consent for your child to have this drink during the school day. We would also ask that you let us know if your child has any medical allergies to milk. If you wish to provide a non-dairy alternative please speak with the class teacher.

Yours sincerely

M Blackburn
Executive Head Teacher
