

NURSERY TERMS AND CONDITIONS

Entitlement:

Children are entitled to 15 hours free nursery provision from the term after their 3rd birthday. Parents may be in receipt of 30 hours free nursery provision after completing an application and gaining receipt of voucher codes. Additional hours may be available at a cost of £6.00 per hour. Contracts and if required payment schedules are sent out to parents in advance for completion prior to admittance in the following term. Additional payments must be made in advance, weekly, monthly, half termly or termly via Parent Pay. **Should nursery fees not be paid in advance and arrears accrued for additional nursery provisions, school reserve the right to withdraw this service.** Free sessions are identified on the contract. Once nursery provisions have been identified a payment schedule is drawn up and issued to parents.

Notice Period & Charges:

Two weeks' notice must be given for any absence, which is not due to illness, during term time and will be charged at half rates up to a maximum of ten days. Any absence over this will be charged at full rate. If there is no notice given then full rates apply. **(The School would recommend that no child has any absence during term time in order to receive the maximum benefit from our nursery provision).**

Days missed through illness are charged at full rate and will not be reimbursed or carried forward. Any school dinners paid for in advance will be carried forward.

Training days are not chargeable; however, parents will lose their free of charge session, these sessions cannot be carried forward.

We cannot provide additional hourly sessions without prior notice, (one week in advance notice). We can however, accommodate changes to the termly nursery pattern as long as we are given notice the term before, and that we are able to provide nursery provisions.

School Closure:

Nursery sessions are still chargeable if parents take the option for their child not to attend due to bad weather when the school is open. When the school is closed then no fee is chargeable, and any money paid will be carried forward to include a situation for Covid-19 and any school dinners already paid for.

Please sign and date that you have read and understood the terms and conditions of our nursery provisions, and return to the school office as soon as possible.
